IN AND ABOUT WESTERLY

Six Hundred and Ninety-Eight Registrations Recorded—
Walton-Culley Marriage—Pleasant View Postoffice and Store Open for the Season—Other Vicinity Notes

Superintendent Coon of Wilcox park said Thursday that he did not believe there was a trout in the lake, all having been parboiled to death by the sun-baked water. As the nature of the water is the same as in the quarry hole, he argues that fish that can endure the heat should be substituted for trout when the lake is restocked and believes that perch or perhaps goldfish could survive in the lake. Charles W. Millard, a member of the inland fish commission, is giving the matter attention and will probably select the species of fish that would best thrive in the still and summer-heated waters of Wilcox park lake.

Miss Selena Jane Culley, daughter of Councilman William J. Culley, and Frederick George Walton of Hopkinton were married Wednesday evening at the residence of the bride's parents, corner of School and George streets, Rev. Samuel M. Carhart of the Congregational church officiating. Alice Culley and William Culley, sister and brother of the bride, were bridesmaid and best man, respectively.

MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Camden, N. J.—"It is with pleasure that I add my testimonial to your great medicine, Lydia E. Pinkham's Compound. I suffered from terrible headaches, pain in my back and right side, was tired and nervous, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound restored me to health and made me feel like a new person, and it shall always have my praise."

—Mrs. W. P. VALENTINE, 902 Lincoln Avenue, Camden, N. J.

Gardner, Me.—"I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months."

—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 38, Gardner, Me.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

Rich or poor or proud and handsome. Even you can read this Chanson. By no law of luck or chances. Every tooth you save enhances. All your smiles and conversation. Renders joy to all relations. Don't despair when teeth are aching. Save them, all their shapes remaking. Life's prolonged and health extended. Every time a tooth is mended. You will find your joy remedied. Dentist I "my crown" reveals it. Every art by art conceals it. Nature gave all in good season. Teeth to eat with, minds to reason. Is it her fault, yours or mine. Shall their loss be mine or thine. Thou shalt know in all good time.

No sane person ever does; and yet you may be breathing it every hour in the day and night in not having your house properly heated and ventilated. A heater that does not supply your house with a constant supply of pure warm air is simply manufacturing poison for you and your family to inhale.

A NEW WAY

To Celebrate the Fourth of July by the Churches and Sabbath Schools.

To help build up the characters of homeless children from our churches throughout the state towards a noble Christian citizenship is the distinct work of the Mt. Carmel Children's home, Mt. Carmel, Ct.

It is the only home in the state for this class of children.

The work chartered in 1897, is well established and free from any debt. It does not wish to assume any. Yet there is a pressing need that a new school building, with a manual training department, be erected this winter.

The present building has been pronounced too small for the number of children the home can accommodate. What better way for the churches and Sabbath schools to commemorate our national freedom than to do something each year to help towards a

right manufacture of its future constituency?

A little from each of what is usually spent in fireworks might cover the whole expense of this need, if many responded.

Twenty dollars (on an average) from 350 churches or Sabbath schools (\$7,000) would meet the specifications. Will not the adults as well as the children lay aside an offering for this purpose the coming Sabbath and, send it Monday to the Mt. Carmel Children's home? Small sums as well as large ones will be gratefully received.

"Give, and it shall be given unto you, pressed down, and running over!"—Luke 6: 38.

Yours earnestly for the best training for our prospective citizenship.
